The condition of the property will be evaluated according to, but not limited to, the following:

INSIDE

- All personal belongings must be removed from the premises.
- **PAINTING:** Please remove all nails - do not fill holes caused by picture hangers, or touch up paint without approval. If you paint & it does not match or if you do a poor job of filling holes, you will be charged for necessary painting to match the existing paint or to redo spackling. Charges for painting depend on length of time in the property and whether it exceeds normal wear & tear.
- **CARPET CLEANING:** Residents are required to have the carpets **PROFESSIONALLY CLEANED** at the time of move-out. A receipt from a professional carpet cleaning company must be provided to us when you turn in your keys.
- **DO NOT** rent machines from a store or use home cleaning machines. Only professional cleaning is acceptable. Spot treat carpet as needed. Pet enzyme treatment is required if you have had pets. If you hire a carpet cleaner other than the ones we use, **BE SURE** the carpet cleaner will guarantee their work to PURE Property Management - Antioch Office Property Management standards/satisfaction. You are more than welcome to use the company we use for all of our carpet cleaning. Miracle Carpet Care , (925) 872-0830. If the cleaning is not done to our satisfaction, residents will be charged for any additional expense.

- Clean vinyl, wood and/or tile flooring. Clean and dust all baseboards.
- Be sure to clean or replace air conditioning and heating filters as you vacate the property.
- HVAC and water heater enclosures should be vacuumed.
- Walls and ceilings must be cleaned and free of cobwebs and lint and spot clean walls as necessary.
- Clean fireplace, hearth and mantle, remove ashes and debris. Be sure hot ashes are properly extinguished prior to disposing. Clean ALL wall switch plates and outlet covers.
- Clean ALL windows inside and out, clean window sills, mini-blinds and vertical slats thoroughly. Be careful not to bend or damage the slats when cleaning.

- Clean ceiling fans & light fixtures. Replace burned out or missing light bulbs and be sure to use the correct wattage and type. Replace broken globes. Make sure the ceiling fan blades including the top and light kits are clean. Also check the ceiling surrounding all fans. Often dust has gathered by the fans and adheres to the ceiling. One of the easiest ways to clean this is to lightly sweep the ceiling with a broom.
- Smoke alarms must be operative. Replace batteries as necessary.
- Clean ALL closets, storage spaces and shelving free of dust, spider webs and miscellaneous debris.
- Clean Kitchen appliances inside and out, replace burned-out light bulbs: Clean oven, stove and under drip pans. Foil covering drip pans is not acceptable.
- Clean oven/range hood vent including filter. Wash out the refrigerator and compartments, including the freezer. Don't forget to wash off the top exterior of the refrigerator and clean the rubber gasket around the refrigerator and freezer door. Clean bottom vent.

- Clean toilets inside and out and remove all lime deposits. Clean toilet seat surfaces, top and bottom.
- Mop or vacuum flooring. Do not use scouring powder to clean acrylic or fiberglass tubs. It will ruin the finish.

OUTSIDE

- Lawns must be neatly mowed and edged, trees and shrubs trimmed or pruned, yard watered and all trash and debris removed.
- Any animal droppings are to be picked up and disposed of.
- All trash and garbage must be removed from the premises (including curbside). If you have trash that exceeds the normal pickup, you are to arrange to have it hauled away.

- Repair pet damage and treat for fleas / ticks etc.
- Clean outdoor light globe(s), replace burned out or missing light bulbs.

- Our experience has been that after the work and stress of moving out, residents may be too busy and exhausted to clean the house. We recommend considering a professional cleaning company. If you hire a professional cleaning service you should provide them a list of what we expect and oversee and inspect their work. Please follow the above instructions carefully. If the house does not meet the prerequisites after the inspection, applicable charges will be made with no exceptions.

Residents are not permitted back on the property after vacating. Upon leaving, please be sure to fully secure the property by locking all windows and doors.
